

## The Victorian Treatment Rooms

Indulge this Winter with a fantastic offer...

### *Detox Paprika Facial*

This soothing facial tones and heals dry skin restoring moisture. It can be used on all skin types especially mature and tired skin as it invigorates and revitalizes. Containing biocomplex which is a booster of antioxidants vitamins co enzyme Q10 and alpha lipoic acid, it reduces the appearance of wrinkles and improves the appearance of the skin.

### *Back cleansing treatment*

A deep cleansing and rejuvenating treatment concentrating totally on the back to restore a calm and clear 'complexion' to an area of the body that is often forgotten.

### *File & Paint*

OPI file and paint on either hands or feet. Choose from our wide range of colours for the Festive and Winter season which are defined as the elegant side of edgy!

**Only €85 per person**

Duration 1 hr & 30mins
