'Grip fast'

The Leslie family motto 'grip fast' originates from a famous horse journey by Bartholomew Leslie in the 11th century. His passion for horses was passed down through the ages and now you too can discover the thrill of riding across one of Ireland's great estates.

We welcome riders and guests from novice to beginners and advanced riders, adults or children (age 7 and over), families or individuals and corporate groups. We offer expert tuition in hacking, jumping and side-saddle along with gentle hacks and exhilarating cross country rides together with a range of certified training programmes and clubs for children.
