

Luxury Radiance Voya Facial incorporating our Signature Indian Head Massage & Voya Peat Treatment for the Feet

With the seemingly never ending long winter days & nights now upon us, The Victorian Treatment Rooms creates the perfect excuse to allow some necessary “me time”.

Why not indulge yourself in this Spring Special combining our Voya Radiance Facial and a delicately infused aromatherapy Voya Peat treatment on the feet.

A perfectly blended infused cup of herbal tea is served prior to your treatment, allowing you to unwind and prepare your body and mind.

When your treatment is over a delicious mocktail awaits you in our relaxation rooms.
