

Wine List

Welcome to the Castle Leslie Estate Wine List.

As always, our culinary team at the Castle Leslie Estate, strives to combine modern and classic cuisine using seasonal locally sourced ingredients to create unique and wonderful dishes for you to enjoy.

We would like to offer you a selection of exquisite wines which we have handpicked from our suppliers which complement each of these dishes. Each of these carefully selected wines has a rich history, telling its own story, much the same as Castle Leslie Estate.

Most of our selected wines are from traditional wine producing countries along with a huge variety of wine from new and old-world countries. We passionately believe that our offerings need to be regularly revised to match our seasonal changing menus.

Subsequently, we have ventured further afield to find innovative and adventurous wine producers from less familiar wine producing countries to offer you, our guest an exceptional new wine experience. Wine is constantly evolving and as professionals we will continue to evolve with it, to offer you the finest wines from around the world. We pride ourselves on offering an extensive wine list with various price points to suit your tastes.

With each of our handpicked wines, we would like to tell its story. One story which we would like to highlight is the Wine Geese. In short, this is the story of Irish men and women who left our shores as far back as the 1600's. They went on to have a major influence working and eventually founding and owning many Chateaus/Vineyards across the world. We are extremely proud of our Irish heritage and for this reason we offer an array of these wines on our menu. For your convenience we have labelled these wines on our menu with this symbol.

At Castle Leslie Estate, we believe in doing our part to make the planet a better place for future generations. Therefore, we support wine producers that follow the same ethos. All our organic, vegan, biodynamic and sustainable wines are labelled for your convenience as follows:

Organic

Vegan or Vegan Friendly

Biodynamic

Proactively following Sustainable Practices

Please do not hesitate to let us know of any wines you may like to see on our menu in the future. We are only too happy to accommodate to the best of our abilities.

Enjoy!

Castle Leslie Estate Team.

“Where there is no wine, there is no love.”

“Wine is one of the most civilized things in the world and one of the most natural things of the world that has been brought to the greatest perfection, and it offers a greater range for enjoyment and appreciation than, possibly, any other purely sensory things.”

ERNEST HEMINGWAY
