

The Victorian Treatment Rooms at Castle Leslie Estate

CASTLE
Leslie
ESTATE

A Sensual Experience...

Eminence and the Voya Organic range which are the exclusive products used in the treatment rooms reflect the uniqueness of Castle Leslie Estate with its unspoilt natural surroundings rich in wild plants and mineral springs deep within its lakes.

The Victorian Treatment Rooms

Your spa experience begins with a cup of herbal tea. Herbal teas are a long tradition at Castle Leslie Estate dating back to the annual lime blossom picking from great lime trees planted on the pleasure grounds.

By choosing the greenest of products from our organic ranges, The Victorian Treatment Rooms ensure the perpetuation of this environmental oasis, shrouded in the mist of time and history. We aim to make your visit to the Victorian Treatment Rooms an unforgettable experience for all the right reasons.

After consultation with our highly trained therapists, they will tailor each treatment exclusively to your needs. This encompasses treating mind, body and spirit to leave you relieved, indulged, relaxed and at peace with yourself.

Using different combinations of our hand-picked organic products, body and face and holistic treatments can be revitalizing and energizing, detoxifying and cleansing, relaxing and soothing.

Eminence

Treat your senses and your skin to an exotic skin care line that brings together high quality Hungarian ingredients with old world knowledge of herbs and fruits. By choosing Eminence you join the fight against global warming. The benefits of seaweed and its extracts

- ☞ The mineral content of some seaweeds accounts for up to 80% of dry matter.
- ☞ Compared to most plants, seaweed contains a number of extraordinary amino acids and essential fatty acids that are parts of the lipid layer in your skin and helps to maintain the suppleness and elasticity of the skin.
- ☞ Seaweed contains Algal Polyphenols and Carotenoids which have been proven to be powerful antioxidants.
- ☞ Seaweed also contains a wide variety of vitamins which include Vitamin A (beta carotene) C,E,D,K and folic acid.
- ☞ Algae extracts have a pronounced moisturizing effect on the hair, increasing hair luster and softness and decreasing its electrostatic charge.
- ☞ Seaweed has been used as an effective treatment for conditions like psoriasis, eczema, dermatitis and acne. Certain seaweed species have been used in China for the treatment of cancer.
