### *Patrick Kavanagh Centre*

The Kavanagh Centre tells the story of Inniskeen's most famous son – the poet, Patrick Kavanagh using immersive and interactive techniques to inspire visitors. There are 6 key zones in the exhibition and these focus on different times/aspects of Kavanagh's life. A multi-media experience provides the emotional core of the exhibition with its visuals and sound effects and this is also used as a performance space for concerts and dramas. Very few writers have rooted their work so physically in recognisable fields and buildings as Kavanagh did and many of these places still exist. Visitors are encouraged to follow the Kavanagh Trail which takes in a number of these sites. This November, Kavanagh is commemorated with the annual Patrick Kavanagh Weekend in the poet's hometown.
