VOYA MESSAGES

The Voya Back Massage – €100 (45 mins)

Suitable for clients undergoing or recovering from cancer.

Your treatment begins with a gentle dry brushing of the back to help remove dry, dull skin and stimulate circulation. This is followed by a deeply hydrating massage using Voya's Angelicus Serratus rich oil. This luxurious treatment helps to soothe tension, ease aches and pains, and leave your back feeling nourished and revitalised.

The Voya Massage – €125 (60 mins)

Suitable for clients undergoing or recovering from cancer.

This is an invigorating massage with that Voya touch. We energise your skin by deeply infusing it with the world's only organic seaweed oil. This oil can help renew damaged skin cells, add tone and elasticity and combat cellulite and signs of ageing. The world's only organic seaweed oil containing 2lbs of seaweed oil in one bottle!

Voya Massage with Dry Brushing – €140 (75 mins)

Suitable for clients undergoing or recovering from cancer.

Dry brushing can be added to The Voya Massage to give ultra-smooth skin. Dry brushing helps remove the outer layer of dry, dull skin and enhances the absorption of subsequent skincare treatments. The ritual begins at the soles of the feet and works upwards, brushing towards your heart.

Deep Muscle Targeted Massage – €125 (60 mins)

A tailored massage focusing on tired feet, legs, and back muscles. Using VOYA Serenergise Muscle Body Oil, this treatment helps to warm the muscles and ease tension, improving circulation, flexibility, and postural support in the saddle. It is finished with VOYA 'Feel the Heat Warming Gel' to enhance muscle relaxation and support recovery.
